LIV Tool Box

- Flowing arm design is aesthetically distinctive and decidedly supportive.
- Injected molded shroud under the seat enhances LIV's stylish form and stackable function.
- Generous proportions make for easygoing sitting for every body stature.
- Durable four-leg steel frame is available in black or metallic silver.
- Optional metal swivel glides for high-use applications.
- Stacks and stows up to four high – with or without castors.
- Gangs with an optional, easy-to-use device that stows under seat.
- Most chairs ship in three days.

Gang Up

LIV goes it alone or gangs together. Just employ the easy access ganging device to make perfect rows – and when you're done, stow it under the seat and out of sight.

Stack Up, Move Out

Multipurpose and mobile LIV stacks four high – even with castors – and stores effortlessly.
